Re: CC Docket No. 00-257: *In the Matter of 2000 Biennial Review - Review of Policies and Rules Concerning Unauthorized Changes of Consumers Long Distance Carriers.*
Notification of Zayo Enterprise Networks, LLC Pursuant to 47 C.F.R. § 64.1120(e)

Dear Ms. Dortch:

On behalf of Zayo Enterprise Networks, LLC ("ZEN") and pursuant to Section 64.1120(e) of the Commission's Rules, 47 C.F.R. § 64.1120(e), we hereby notify the Commission of ZEN's intent to acquire certain telecommunications customer of its following other affiliates: Fiberlink, LLC d/b/a Columbia Fiber Solutions ("CFS"), NTI of California, LLC ("NTIC"), and Zayo Bandwidth Northwest, Inc. ("Zayo-NW") (ZEN, Onvoy, CFS, NTIC and Zayo-NW collectively, the "Parties").

Names of the Parties to the Transaction: The customer transfers are the result of multiple *pro forma* intra-corporate transactions being undertaken in order to consolidate the corporate structure of Zayo Group, LLC's ("Zayo Group") subsidiaries and to appropriately allocate assets and customers to Zayo Group's various operating units -- Zayo Bandwidth, Onvoy Voice Services, and Zayo Enterprise Networks.

As part of that effort, Zayo Group also will complete the alignment of the assets and customers acquired in the prior Northwest Telephone, Inc. and CFS transactions with the appropriate Zayo Bandwidth, Zayo Enterprise Networks and Onvoy Voice Services business units. Although regulated telecommunications services have continued to be provided by Zayo-NW, NTIC and CFS since those transactions under their existing authorizations, Zayo Group has already consolidated many of the 'back office' functions of the service in the appropriate business unit. In the current reorganization, Zayo Group will complete that realignment so that the telecommunications services provided to certain of the customers of Zayo-NW, NTIC and CFS will be provided by ZEN.

Types of Telecommunications Services Provided to Affected Customers: The customers being transferred from Zayo-NW, NTIC and CFS to ZEN are small, medium and large enterprise customers. These customers receive various business data services including

Boston
Hartford
Hong Kong
London
Los Angeles
New York
Orange County
San Francisco
Santa Monica

Ethernet, Dedicated Internet Access, Virtual Private Networks, Voice Over Internet Protocol services and managed services including audio and video conferencing, but some also receive traditional switched voice services.

Date of the Transfer: The parties anticipate that the affected customers will become customers of ZEN on or about February 4, 2010, or as soon as possible thereafter following receipt of regulatory approvals.

Certification of Compliance: Attached hereto is a certification from ZEN required under Section 64.1120(e)(1) of the Commission's rules.

Copy of Notice Sent to Affected Subscribers: Notice was provided to the affected customers as a bill notation in their bills dated January 1, 2010. Immediately following completion of the *pro forma* intra-corporate transactions, all affected customers will be receiving virtually identical service from ZEN, at the same rates, terms and conditions, as they currently receive from their current provider.

The text of the bill notation provided to the affected customers of CFS, NTIC, and Zayo-NW that may be realigned with ZEN follows:

As a Zayo Enterprise Networks customer, we want to thank you again for your valued business. On an administrative note, we are notifying you that Zayo Group is implementing an internal corporate reorganization and thus your telecommunications carrier of record will change to Zayo Enterprise Networks on or after February 1, 2010. Zayo Enterprise Networks will continue to provide you the same services previously provided by our affiliated business unit, Zayo Bandwidth (Zayo Bandwidth Northwest, Inc., NTI of California, LLC or Fiberlink, LLC d/b/a Columbia Fiber Solutions), and your associated pricing and terms and conditions of service will not change as a result of this reorganization. There is no charge associated with the change from Zayo Bandwidth to Zayo Enterprise Networks and any preferred carrier freeze you have remains in place. You will continue to be billed by Zayo Enterprise Networks and we will continue to resolve any issues you may have with your account or service using the same customer service number: 1-866-629-8200. We recognize you do have the right to change telecommunications providers subject to restrictions in your contract or service order. Zayo Enterprise Networks looks forward to continuing to provide you with the superior service you are accustomed to receiving and to the opportunity to provide you additional services.
